GABON MARITIME SECURITY

## NEW MARITIME OPERATIONS CENTER - LIBREVILLE, GABON

Through its local branch Gabon Maritime Security (GMS), Neptune P2P Group operates a fully equipped, state-of-the-art Operations Center in Libreville, ensuring reliable and efficient maritime security services.

### EXPERT TEAM ON-SITE

- Dedicated Operations Director in Libreville
- Supported by international Neptune P2P Group experts
- Strong local team ensuring seamless execution

### RELIABLE MARITIME ASSETS

- Mix of owned and exclusive vessels, all approved by Navy
- Designed for security escort and offshore operations
- Continuous investment in capabilities and readiness

### ADVANCED OPERATIONS CENTER

- Built on Neptune P2P Group's global operational standards
- Equipped with live tracking systems (AIS, monitoring tools, task management)
- Provides 24/7/365 situational awareness and mission control

### WHY CHOOSE NEPTUNE P2P GROUP / GMS?

- Permanent presence in Gabon (not occasional deployment)
- Direct coordination with local authorities
- Proven operational model
- Long-term investment and reliability
- Fully compliant with law and local regulations
- Continuity of protection in West/Central Africa (cross-border solutions)
